April 2021

Because He lives, I can face tomorrow. Because He lives, all fear is gone... Job 19:25 says "For I know that my redeemer liveth, and that He shall stand at the latter day upon the earth..."

As we celebrate Easter, we do not ever want to forget the real reason we celebrate. I praise my God in heaven for the risen savior. The tomb is empty, and Jesus Christ now sets at the right hand of the father ever making intercessions for me. Thank you, Jesus,

The first week of March, brother Josh McClendon and several others took the Macedonian Tool Trailer to New Mexico. I am so thankful for those that are willing to do that type of ministry. Its vitally important yet most do not realize how all the trailers and equipment get from one place to another. In addition to the tool trailer (which we use on nearly every building project), we also pick up donated vehicles wherever they are. Bring them back to Kentucky and or Georgia and refurbish them as required. Then deliver them to a missionary in need. This takes a lot of trucks, trailers, time, people money, fuel, etc. Thanks to Josh and all those who are willing to help.

I was blessed to travel to my home church in Acworth, Ga in March and preach for them one Wednesday evening. It is a privilege to be asked to preach anywhere and preaching at my home church makes that much sweeter. Thanks to my Pastor Mike Maxwell and the folks at Hillcrest BC for loving on us the way you do. I was able to spend my 62nd birthday with friends and family...I am truly a blessed man

We left for Two Grey Hills, New Mexico on Tuesday the 16th and had a few minor problems on the way. Our travel trailer has 3 slide outs and the covers over two of the three have quit. One was completely blown off by the high winds in Texas. The other needs some adjustment. But we did make it to New Mexico and with some help from friends, we were able to open all three slide outs and use our trailer. The project t went very well, and we were able to complete all that was required and a little more. Thanks to Brant Lane for arriving a week early and making sure we had all the materials we needed. We were able to install all the cabinets, bathroom vanities, counter-tops, appliances, toilets, urinals, baptistery heater and pump, start up and check all heat and air systems, complete painting, electrical, and trim details... And we were able to finish earlier than expected. Pastor Rusty Denny and the folks there were pleased with the progress. That gave us time to go see our dear friends Jerry and Connie Baker at Twin Lakes BC in Gallup. They have been battling some foundation issues and we were able to repair some of the damage. We also installed a new sign on the building. It was a productive trip. I thank God for allowing me to be a small part of what He is doing.

We will be traveling to Arkansas, Missouri, Iowa, West Virginia, Pennsylvania, and more in the coming months. s. Please keep us and all the volunteers in your prayers. Please pray for safety in travel, discernment in work and ministry, strength and wisdom through it all. Pray that needs will be met as required. Thank you and God Bless!

In HIS service, for HIS glory!
 Paul and Greta Lamb
