

From the desk of

Missionary Brandon Jones

MacTech Coordinator

working with

July 2021

The Lord blessed us with a fabulous trip to Indiana and West Virginia in the month of June. I hit the road with my 13 year old, Caleb, on the Friday ahead of the ABA Meeting, bound for Indiana. It was a great father/son adventure.

GRACE BAPTIST - HOPE, INDIANA

Our first stop was for a project at Grace Baptist in Hope, Indiana, where Bro. Scott Bourland is serving. We installed a wall-mounted camera and connected it to their sound board for a better streaming solution. Previously, they were streaming their services with an iPhone. Bro. Coty Lee, song leader at the church I pastor, and his two girls, Addison and Anniston, met us there for services on Sunday. We all enjoyed the fellowship with the Bourland's and this wonderful church in Hope, Indiana. Coty's youngest daughter, Anniston, commented, *"I really like this church! The people are so friendly!"* I appreciated the invitation to share the ministries of Macedonian with the people on Sunday morning. MacTech had already provided a logo, website, and helped setup a Facebook page for the work there before Scott was officially on the field, and it was a thrill to be able to meet the people we helped in some small way to reach. I also enjoyed the privilege of preaching in the services that morning. The Spirit really moved and we had a very sweet and tearful invitation.

Points Of Interest

A street flooded on our way to Grace Baptist. We had taken this road just hours earlier but had to find an alternate route back.

COLUMBUS BAPTIST - COLUMBUS, INDIANA

In the evening service we met with Columbus Baptist church and pastor Chuck Kennedy. They were gracious hosts, letting us stay in their mission house while we were in Indiana, and allowing me to share the work of Macedonian and preach. What kind people! By the next day, I think the whole church had sent me a friend request on Facebook. It's great to make friends with God's people all over the country. We had a great time in Indiana, despite some flash flooding! We thought about fleeing to the Ark in nearby Kentucky for safety.

Coty, Addison, and Anniston Lee, with Glen Knight and me. Our church sent Bro. Glen our VBS offering of over \$1,300 last month and he will be visiting us in August.

ABA MESSENGER MEETING - CHARLESTON, WEST VIRGINIA

At the messenger meeting, I have a lot of irons in the fire. As pastor of Hyde Park, I have a responsibility to the HPB Publishing booth, and because of the MacTech ministry with Macedonian Missionary Service, I represent that ministry as well. I also organize the tellers and the ushers for the meetings, so I am on go from Monday through Thursday. It is always a great place to make new connections, put faces with names, and reconnect with some old friends. I enjoy meeting face-to-face several of the people MacTech has helped remotely with a website or online giving, and hearing stories of how these have helped. It's also a time when more work gets scheduled, so I expect to hear from several people I met there over the coming weeks. And the work goes on... Brandon Jones
