## Points Of Interest

### ONLINE GIVING ENHANCEMENTS

Let me make you aware of a new feature available through the Online Giving platform we offer that might interest many of our churches. You can now, using a single form, receive contributions to multiple accounts in one simple transaction.

On the right is a screen shot of a form that I created for Hyde Park Baptist Church. To use this form, givers enter their desired amounts in each of the funds (in this case, General, Building, Missions, Youth, HPB, and MacTech). Each of these funds are separate bank accounts, but with the example on the right, when the giver clicks the green "Give \$700 - once" button, each fund will receive the designated amount via direct deposit into the correct bank account.\* If, for example, the giver had not entered a value in the Building Debt fund, the Building Fund would have received no deposit. Any field can be left at the default value of 0.00 if the giver wishes to give to one or more funds but not all. Transactions can be one-time transactions, or scheduled to recur by automatic draft.

\*Deposits are made after 2 business days. A single processing fee will be withheld by the processing company. Since this form allows for one transaction to multiple funds, only a single fee will be incurred rather than incurring multiple transaction fees.

Visit [hydeparkbaptist.org](http://hydeparkbaptist.org) and click Give Online to see the form live. Contact me for more info if you need a form like this setup for your church or ministry.

### CALEB'S FIRST DEVOTIONAL

On July 18th, our son (13) did his first devotional at church. He said that he felt it was something the Lord put on his heart to do, so he studied and prepared his outline and presented it very well. Amanda and I are very proud of him. "I have no greater joy than to hear that my children walk in truth" (1 John 1:4).

Proverbs 3:9 "Honor the LORD with thy substance, and with the firstfruits of all thine increase."

**\$700**
