Dear Brothers and Sisters,

"And when He was come into the house, the blind men came to him: and Jesus saith unto them, Believe ye that I am able to do this? They said unto him, Yea, Lord." Matthew 9:28

I begin with a testimony of from a lady in a small Missionary Baptist Church in Fredericksburg, Virginia. She shared this testimony during the Faith Promise Mission Conference held recently. Last year she was introduced to faith based giving which challenged her to dig deep and trust God by faith. She had struggles with her job, the COVID pandemic had affected her finances and she even had car issues. Despite all of those hardships she told of how God laid on her heart what to give each month above tithes and offerings to world missions. This is what we call faith based giving. So she gave it and was faithful to give it. The night she shared her testimony she was praising God for His faithfulness and how that this year He had given her a better paying job and a more reliable vehicle to get her to work and church. Praise the Lord!!!! "Believe ye that I am able to do this?" Just like the blind men in the above scripture were convinced that God could, this lady was convinced also. This church met their faith promise commitments for the year and promised \$4000 more to missions this year. To God be the Glory!!!

If that is not enough to get you excited about what God is doing, let me add to it. We had been praying God would help with the expenses for Liberty BC in Rouzerville, Pennsylvania. Well, of course He did. A Church in Michigan sent an offering for \$25,000. Praise the Lord!!!! It was perfect timing. I had two bills on my desk for a total of \$28,000 that are now nearly covered in full. Missionary Rodney Burdette and I praise God together for what the Lord has done. God continued to bless further with a donation of \$35,000 to cover the cost of one year for the Russian Radio Broadcast. What a blessing!!! Now we can work to raise the monthly support for its continued broadcast for years to come. Eighty-four million souls will have the opportunity to hear the gospel each week because of this donation!!!

The Radio broadcast also has an opportunity to preach on a new acquired station in Singapore. This will cover parts of Indonesia and it is an FM radio station. It will cost \$25 dollars per broadcast which is \$1,300 per year. Please pray about this with us and for doors to open for increased sponsorship for this ministry.

Macedonian is also blessed to have \$18,000 in matching funds that will go towards the general fund. The General Fund helps all the ministries of Macedonian Missionary Service, including maintaining our office and its Staff. Please make this a matter of prayer. Every dollar given towards the matching funds is doubled. This is a great opportunity.

We are also in the process of designing a mechanic shop for our property in Texas. Brother Ricki Boyle and I have worked together to try and design a building that will meet our needs now and in the future. Brother Roney Walker has been drawing the building plans for this project. We appreciate Brother Roney, his talent for drafting and his willingness to use it for the Lords work. I would like to thank Rex Newman and Randy Homer for helping Macedonian get the land that was donated changed over and surveyed. It is truly a blessing to work alongside these men.

In the coming months I would like to share about each of Macedonians various funds. There are a variety of funds that support different legs of ministry through MMS that you may not know about. I will start with our Bible and Literature Fund. This fund is used to help missionaries when they need bibles or teaching literature printed. It is often much easier for missionaries to purchase bibles in the country and language that are serving in rather than to ship them. Missionaries can contact our office and tell us their needs. Because of many like you who support the Bible and Literature Fund we are able to meet those needs. If you are looking for an area to support this is a great ministry. Contact our office for more information.

Please keep me and Michelle in your prayers. Aubree moved into her dorm at college this month and Alex turned 16. We are blessed with great kids.

Yours for World-Wide Missions,
 Brant Lane
