Working with

May 2022

Dear Brothers and Sisters,

Mark 1:17- and Jesus said unto them, Come ye after me, and I will make you fishers of men.

To God be the Glory Great things He has done. This month has been full of opportunities to further His kingdom.

I want to back up to March if I can. I got the chance to be a part of a faith promise meeting in Mansfield, Texas. Lifeline Baptist Church and Missionary David Smith invited our family to come and share about faith promise giving. What a great time and this past month Brother David shared with me the results of the meeting. This work, which probably runs 20-30 members promised around \$16,000 above tithes and offerings to missions. What a win for the kingdom of God!!! Not only can they use this to help the missionary they send out in Bangladesh, but they can come alongside so many others in the work!

While we were at Lifeline BC we got to sit in a zoom meeting with their missionary Robert Baidya. Brother Robert reported 48 professions of faith and the need for 100 Bibles. God always puts people in the right spot. I first want to thank all those who give to the Macedonian Bible fund because we did not have to hesitate about getting them the funds to get these Bibles printed. The cost for 100 Bibles printed in their language was \$1500. I am glad to report the funds have been received by Robert and the Bibles are either being given out or are really close. Praise the Lord!!!

The Kentucky mechanic shop also got some attention this month as we were able to run new waterlines and make a bigger entrance into the shop. I appreciate Joe McClendon and Chris Maxfield for helping us trench the water lines. We were also able to make the parking lot bigger and install some new air lines inside the shop. I thank the Lord for all he has done to make this shop a great ministry tool.

The Macedonian Banquet was a great success this month. I want to first thank Bay Lake MBC in Groveland for hosting this meeting and Marcia Sheeley for putting all the pieces together. It had been two years since we got a chance to meet and thank all those who so faithfully support the ministry. We also got a chance to reflect on the vision Brothers Leon Jasper and Harold Williams had in starting this ministry. It was such a sweet time and really encouraged my spirit.

Pastor Gordon Dilashaw along with Pastor Felix Munoz were so gracious to allow my family to come by and share the ministry of Macedonian Missionary Service. Please pray for Pleasant Grove MBC and Fellowship MBC as they continue to press the gospel forward in Milton, Florida.

The month ended with our family attending Two Grey Hills building dedication service. I got an opportunity to preach on Saturday morning at the meeting. It was great to see what God had accomplished and to get to visit with our friends.

Prayer Request.

1. Missionary Danny Fudge has been able to raise \$15,000 of the \$30,000 needed for the building project in July. Please pray God will continue to provide.
2. Travis Robinson who works with our Mac-Tech ministry is seeking a sending church. He will be working out of our Texas office/shop.
3. MMS has \$6,700 in matching funds designated for our general operating fund. We are praying it will be matched.
4. Travel is expensive right now- Please pray that God will provide the funds needed for all the Macedonian missionaries.

Yours for world-wide missions,
 Brant Lane
