**April 2022**

Dear Fellow Servants,

Hello, I'm Todd Ward and I would like to introduce myself and share a little bit about my testimony. In 1993 I accepted Christ as my Savior. I was 18 years old at a youth rally in Bogata, Texas. At that same youth rally my girlfriend, Jamie was 16 years old and she accepted Christ, too that day. Later in 1996 Jamie and I were married in that same church where we found Christ. Three kids and 25 years later, God has truly blessed our family. We still live in the same little town in Bogata, Texas. After high school I started working at Walmart Super-Center in Mt. Pleasant, Texas as a Butcher. God allowed me to move up in the company. I became the Store Manager and the company asked me to transfer to Sulphur Springs, Texas to run that store. After several years at Sulphur Springs the company asked me to move to the store in Paris, Texas, to take over that store. I had the privilege to work for Walmart almost 30 yrs.

We were members of Bogata MBC in Bogata, TX from 1999 to 2015. In 2010 we went on our first mission trip to the Philippines and again in 2011. In 2015, we started attending church at Nevills Chapel MBC Mt. Pleasant, TX. This is where we met Dr. Leon Jasper and Bro. Brant Lane at a Faith Promise Conference. After several years we became friends with Brant and Michelle and their kids. Our love for missions and missionaries started to grow again. What God showed us through those Faith Promise Conferences changed our lives forever. In 2020 we went on our first building project in Wewoka, Oklahoma. After that building project God started working on me about missions. We then went to Kentucky to help some friends we met on the project, Paul and Greta Lamb. Later we got the opportunity to go back to Kentucky with the Macedonian Builders to help on the build project at Pine Hill Baptist church, Somerset, KY. In 2021 we went to Des Moines Iowa to help Landmark Baptist Church with their project. God was really working on my heart. After that project I knew God was calling me to be apart of Macedonian Missionary Service. I just didn't know what that was going to look like, but God did. After much prayer, God started opening doors for this to become a reality. On February 10, 2022, after nearly 30 years at Walmart I walked out to start my new role as Global Development Director working with Macedonian Missionary Service. I am also serving as a Trustee at Texas Baptist Institute in Henderson, TX.

I will help with the Special Projects that God allows us to facilitate for missionaries and His churches across the World. I feel God gave me the ability to communicate and help be a liaison for missionaries and His churches. I'm also excited about this new ministry that God has laid on our heart. We are calling it REACH, which stands for "Reaching, Evangelizing, and Comforting the Hurting". I will explain what our vision is for this next month in our newsletter.

I'm excited for what God has for us as we start raising our monthly support. We are looking forward to our future work with the Macedonian Builders, Special Projects and promoting all of Macedonians ministry services as I speak around the United States. I look at my calendar and it is quickly filling up. What a blessing! We will be leaving our home on April 19 and will be back home sometime in August.

In March we went to the the Bridge conference in Little Rock, Arkansas, I also got the opportunity to share at the Faith Promise Conference in Ironton, OH at Sugar Creek Missionary Baptist Church.

God Bless you and your family.

His Humble Servant's  
 Todd and Jamie Ward
